What's It Mean

To help you with words used by FTCC faculty and staff, here is a list of frequently used terms and their definitions.

Academic standing: Entering students must earn a grade point average (GPA) of 2.0 by the end of their first quarter and maintain a GPA of 2.0 thereafter.

Accreditation: Various professional agencies appoint teams of evaluators who periodically study Forsyth Tech's programs and services to assure that they meet standards of quality and are relevant to the college's purpose.

Adult Continuing Education: This division provides non-credit courses for citizens who are 18 years old or older. The opportunities are based on individual need and previous educational achievement.

Advisor: A person who approves the selection of courses for your chosen field of study and is usually a faculty member or counselor in the Counseling Center.

Associate in Applied Science: A two-year technical degree that prepares you for the job market.

Associate in Arts: A two-year college transfer program that concentrates on humanities and social sciences for those planning to continue in a bachelor's degree program in a senior college.

Associate in Science: A two-year college transfer program that concentrates on mathematics and physical sciences for those planning to continue in a bachelor's degree program in a senior college.

Audit: A course for which you pay tuition and fees but do not receive credit. An Audit Request Form is available in the Counseling Center or from the appropriate division dean.

Catalog: The publication you can get in the Admissions Office that contains almost everything you need to know about FTCC and its programs.

Certificate: A program of study generally requiring one year or less of course work.

Contact hours: The actual number of hours in class per week, per course.

Counselor: A person who provides you with personal, academic, vocational, and career counseling. (723-0371 ext. 226, Allman Center)

Credit hours: Every class is worth a value called a credit hour. Every degree, diploma and certificate program requires you to take a certain number of credit hours.

Cumulative grade point average (GPA): The average of your grades for all classes taken at FTCC. It is calculated by adding all completed quality points and dividing by the number of credit hours taken.

Curriculum: The program of courses required to receive a degree, diploma or certificate in your chosen area of study.

Diploma: Vocational programs that usually take four quarters to complete. Courses are not designed to transfer to a 4-year school.

Adult High School is a program that allows adults to complete high school courses and credits for an Adult High School diploma.

GED - Persons who have not completed high school may choose to take a series of tests that correspond to most high school curricula to determine if they qualify for a high school equivalency diploma.

Division: An academic area within the college. FTCC has five: Arts and Sciences, Business Technologies, Continuing Education, Engineering Technologies, and Health Technologies.

Drop / Add: When you adjust your schedule by dropping courses you registered for, but no longer wish to take, and/or adding other courses. The Drop/Add period is limited and is indicated on the calendar.

Electives / Unrestricted Electives: A course which is not specifically named in your curriculum, but is required to graduate. Check with your academic advisor before choosing an elective.

Financial aid: Grants (monies given to students through the federal and state government), scholarships, and student loans are available to qualified students to help you meet your educational expenses.

Full-time student: A student who is taking a least 12 credit hours. A student who is registered for 11 credit hours or fewer in one quarter is a part-time student.

Independent study: A credit course, allowed only in special circumstances, in which you work individually with a faculty member.

Plagiarize: This occurs when you use ideas or words of another as your own without crediting the source. Plagiarism is a form of cheating.

Practicum: A course that offers hands-on experience in the workplace.

Prerequisites: Preliminary skills, knowledge or other courses which are required before your enrollment in a particular course. Prerequisites are listed by course and course description in the catalog. Descriptions are alphabetized by course prefix.

Pretechnical program: This program offers a series of courses for preparation, remediation, and academic guidance if you do not meet the entrance requirements for the curriculum of your choice.

Probation: You are placed on academic probation when your GPA falls below 2.0.

Proficiency test: You may, under certain conditions, take an exam and receive credit for a course without having taken the course. You will not receive a grade, just the credit hours.

SGA - Student Government Association: You can get involved in SGA activities by contacting the Student Activities facilitator in the Carolina Annex.

Special credit student: A student who is taking one or more curriculum credit courses, but who is not yet enrolled in a specific curriculum.

Student activity fee: The fee you pay every quarter that covers activities, (cookouts, dances, etc.) part of graduation expenses, and the student newspaper.

Transcript: A printed record of every course you've taken at FTCC and the grades you've received. An official transcript is stamped with the seal of the college. Transcripts are obtained, at a cost of \$2.00, from the Records Office.

Tuition credit: If you withdraw from a course, your tuition, in specific situations, can be credited to your account for future use.

Workstudy: A federally supported program through which students, primarily from low-income families, are given preference for part-time employment on campus.

Note: Check current catalog for detailed information.

Academics

Academic Policies and Procedures

This section contains important information on all aspects of academics at Forsyth Technical Community College. Read it carefully and keep your calendar handy in case you need this information.

Advisors/Advisees

The advisor/advisee program is intended to help you during your study at FTCC. You are assigned a curriculum advisor who will help you pick the correct classes for each registration. Your advisor will have office hours posted so that if you need answers to questions or solutions to academic problems, you will have a personal contact. Your advisor will also help you with registration by checking your previous grades, making sure you've met prerequisites, and, **most important, signing your registration card.** You are totally responsible for contacting your advisor and getting the proper signature for registration. All discussions with your advisor are confidential.

Class Attendance

You are expected to attend all class, laboratory, shop, practicum, and/or clinical experience sessions. If

you miss a session for any reason, you are fully responsible for letting your instructor know why you were absent. Remember that you will have missed instruction, assigned work, testing, or other assignments during your absence. Your instructor will expect you to catch up!

If you are tardy for class, your instructor is allowed to count the tardy toward your total absences. Be sure to talk with your instructor if special circumstances cause repeated tardiness.

Some curriculums have special class attendance. If you are in one of these, you will receive a written notice of the attendance rules by the second class period.

No passing grade will be issued for a course if, for whatever reason, you have been absent 25 percent of the total possible class time per course per quarter.

Your instructor can drop you from the class roll if you are absent (or absent and tardy) for more than:

- three (3) hours of class (Note that this would be three, 50-minute sessions or two, 75-minute sessions or one, 3-hour session);
- two (2) practicum (shop, lab, or clinical experience) sessions which meet for two (2) or more hours;
- two (2) hours of class and one (1) practicum (shop, lab, or clinical experience) session which meet for two (2) or more hours.

* If a class and a practicum (shop, lab, or clinical experience) meet consecutively, each session missed will be counted as an absence.

It is **always** your responsibility to satisfy the instructor that you should be kept on the roll if you have missed more than the allowed absences. **NEVER** assume that an instructor will excuse an absence.

If you miss 25 percent or more of the total class time, regardless of reason, you will not be given a passing grade in that course. Ask your instructor if you do not understand how to figure the 25 percent mark. Attendance begins on the first session of class, regardless of when you registered, enrolled, or actually attended, and ends on the last session of class.

Grading System

Listed below are the number and letter grades used at FTCC. An example of how to figure your grade point average (GPA) is given on page 7.

Number Grade	Letter Grade	Number of GP's earned per qtr. hr.
94-100	A	4
86-93	B	3
78-85	C	2
70-77	D	1
Below 70	F	0
*WP	Withdraw passing	0
*WF	Withdraw failing	0
W	Withdraw by 18th class day ▼	0
I	Incomplete**	0
Y	Audit***	0

* You may **NOT** withdraw after the 50th day of the quarter without permission of your instructor.

** **A grade of incomplete** is given only if you have a valid reason for not completing all required work and if you have talked with your instructor before the end of the quarter. There are many rules and restrictions for an incomplete, so see your instructor immediately. An incomplete is not automatically given just because you fail to complete an assignment or a test.

*** **Auditing a class** means you pay tuition and fees but you **do not get credit, hours, or a grade** for the class. If you need review of course content before taking a class for credit, auditing may be a good choice for you. When auditing, you should do all the reading and work, just as you would if you were getting credit.

▼ This policy is under review and subject to change.

You'll need a special form to audit a class. Go to the Counseling Center or to the appropriate division dean. You must get the form (with required signatures) to the Records Office before drop/add is over. Once you elect to audit, you may not change your mind past the last day of drop/add.

Quarterly Honors

President's List

At the end of each quarter, a President's Honors List will be published to honor those students with a quarterly 4.00 GPA. To be eligible for the President's Honors List, students:

- a) must be approved and enrolled in a curriculum, excluding Pretechnical students, special credit students, and certificate students.
- b) must earn a quarterly 4.00 GPA on a minimum of 8 credit hours of curriculum courses. The formula used to calculate 4.00 excludes the following grades: W, WP, Y.
- c) must have completed all course work for the quarter. Students with grades of "I" will not be eligible.

Deans' List

The Deans' List is published quarterly to honor those students with a quarterly grade point average of 3.50 to 3.99. To be eligible for the Deans' List, students:

- a) must be approved and enrolled in a curriculum, excluding Pretechnical students, a special credit students, and certificate students.
- b) must earn a 3.50 or above GPA on a minimum of 8 credit hours. The formula used to calculate this minimum 3.50 GPA or above excludes the following grades: W, WP, Y.
- c) must complete all course work for the quarter. Students with grades of "I" will not be eligible.

Graduation Requirements

You must have completed all requirements for your curriculum and have a 2.0 GPA. You **must** complete an official Intent to Graduate form at least **six weeks** before your last registration. Forms are available in the Records Office. A \$10 graduation fee must be paid at the time the intent form is filed. (Check current catalog for detailed information.)

Example of How to Figure Your GPA

Assume your quarter grades are:

	Credit hours	Grade points	Total points
B in Oral Communications (3-hr. class)	3	x 3	= 9
C in Business Math (5-hr. class)	5	x 2	= 10
A in Economics I (3-hr. class)	3	x 4	= 12
	11		31

Divide 31 by 11 and you get 2.81 GPA for the quarter.

Course Repeat Rule

If you fail any required course in your curriculum, you must repeat it until you pass; otherwise, you cannot receive a degree, diploma, or certificate. If you fail a course in your major, you should see your academic advisor immediately. If that person is not available, see a counselor in the Counseling Center.

The last grade you earn on a repeat course, whether F or higher, will be your official grade and will be used to figure your GPA. A grade of **W** or **WP** will not be considered a repeat grade. A grade of **WF** will be considered a repeat grade.

Academic Standing/Probation

Any time your cumulative GPA drops below 2.0, you are placed on academic probation. That means you are given until the end of the next quarter to raise the average back to a 2.0. If you fail to reach the 2.0 level by the end of the next quarter, an Academic Review Committee will review your record. The committee may reduce the number of credit hours you can take; they may require you to repeat courses in which you earned low grades; or they may drop you from your curriculum.

Appeal of Academic Review Committee

If you want to appeal the decision of the Academic Review Committee, you **must write the dean of your division within 24 hours of receiving notification.**

The dean will convene the division Academic Appeals Committee which will hear the appeal and make

a recommendation to the dean. The dean will make the final decision and notify you, the department chairperson, and the advisor in writing.

Appeal Concerning a Grade (Academic Appeal)

If you want to appeal a course grade, you **must write the appropriate division dean within 24 hours after receiving your quarter grades.** The dean will convene the division Academic Appeals Committee which will hear the appeal and make a recommendation to the dean. The dean will make the final decision and notify the student, the department chairperson, and the advisor in writing.

Honors and Awards

Any student who has earned a cumulative grade point average of 4.00 at FTCC will be granted a diploma or degree with High Honors. Any student who has earned a grade point average of 3.50 or above will be granted a diploma or degree with Honors. A seal of recognition will be placed on the student's degree or diploma, and the student's transcript will be noted to reflect this achievement. To be eligible for Honors or High Honors, at least 32 quarter hours must be completed at FTCC for those students enrolled in an associate degree program, and at least 16 quarter hours must be completed at FTCC for those students enrolled in a diploma program. Only graduates in curriculums leading to a degree or diploma qualify for this academic recognition. Graduates of the curriculums leading to a certificate of completion do not qualify.

Grade Reports and Transcripts

Your grades will be mailed to your permanent address after the last day of the quarter. Grades will NOT be posted on classroom or office doors since this is a violation of your right to privacy. The best procedure is for **you** to keep up with your grades throughout the quarter. A transcript of your work is kept in the Records Office (Allman Center). A fee of \$2.00 per transcript is required for an official (to schools, employers, etc.) or an unofficial (for you) copy. FTCC will not issue a transcript if you still owe tuition, fees, or penalties to the school. We also will not issue your transcript to another party unless you have authorized it in writing.

What to Do If You Must Withdraw from a Class or School

There is a right way and a wrong way to withdraw from a class or from FTCC altogether. The wrong way is simply to disappear without officially informing your instructor or the Counseling Center. If this happens, your instructor can give you an "F" in that class, so the penalty is very severe. The right way to leave is to tell your instructor as soon as you know you must withdraw or go to the Counseling Center and ask for a drop form. If you fill out the form, your official withdrawal date will be the date you filled out the form. If your instructor fills out the form, your official withdrawal date will be the date the instructor records on the form. If you are on financial aid, your official date of withdrawal becomes very important.

If you have to leave school completely--whether temporarily or permanently--you should fill out an official drop form or an end-of-quarter withdrawal form (available from the Counseling Center). If you don't file these two forms and you later want to reenter FTCC or to transfer to another school, you could be delayed.

If you are a veteran or are receiving financial aid, you must notify the Office of Student Financial Services (Allman Center) of your withdrawal.

Readmission to FTCC

If you were in good academic standing (GPA 2.0 or higher) when you withdrew from FTCC, to be readmitted you must update your application by contacting the Admissions Office (Allman Center). If you are changing to a different curriculum, you must meet the same admission requirements as any new student.

If you are a former student reapplying for admission, you may be asked to supply the Admissions Office with a letter requesting reentry, transcripts and/or test scores or to meet special reenrollment conditions.

If you were suspended for disciplinary reasons, you must contact the dean of Student Services (Allman Center) to discuss conditions for readmission.

Registration for Currently Enrolled Students

Around the middle of the quarter, you will see signs on campus about registration for the next quarter. Read them carefully and follow the instructions. If you are a pretech student, make an appointment with your advisor. Special credit students should go to the Counseling Center on the days scheduled for registration. **You are not officially registered, however, until you have paid all fees and tuition.** Payment dates will be posted around campus. If you do not pay your fees and tuition by the last day of registration, your registration will be voided.

Transfer Credit

If you have attended another school or college, you may transfer courses that are comparable in content, objective, quality, and credit hours to those at FTCC by submitting an official transcript to the Admissions Office. If you are transferring from a regionally accredited school or one that is a member of the North Carolina Community College System, you may be granted transfer of credit.

If you want to transfer from a two-year curriculum at FTCC to a diploma curriculum, you will need to request an evaluation of credit from the director of Admissions (Allman Center). You may NOT transfer credit from a continuing education course to a diploma or associate degree program. Also, in most cases, you

cannot transfer credit from a diploma program to an associate degree program.

Transfer to Senior Colleges and Universities

FTCC's college transfer program allows you to complete the first two years of a liberal arts college curriculum and to earn either an associate in arts degree or an associate in science degree. With either of these degrees, you can transfer to many public or private senior institutions with full junior-year standing. A minimum GPA of 2.0 is required for transfer credit. No course with a grade below C will transfer.

The Career Guidance Center (Allman Center) provides information about senior colleges and universities which currently accept some or all of the credit you have earned and wish to transfer. **Remember, however, that it is your responsibility to contact the Admissions Office of the four-year college/university you want to attend. The decision to accept or to reject transfer credit remains with the school you are transferring to.**

Student Activity Fee

You become a member of FTCC's Student Government Association when you pay the student activity fee. The term "activity fee" may be confusing because the fee is used for more than just providing activities. Below is a list of expenses covered by the student activity fee.

- Graduation expenses are partially covered. It costs over \$25.00 per student to hold a graduation ceremony. Currently, you pay a graduation fee of \$10.00 for each diploma received.
- **Technically Speaking** is a student newspaper published monthly.
- Student activities such as recreation programs, holiday observances, scholarships and Spring Fling.

Policy on Restrictions on Class Admission

No person may attend classes unless the registration procedure has been completed and all tuition and fees have been paid and all debts to the college settled.

Tuition Refunds / Credit

This policy may change following the legislative session, summer 1993.

Tuition and supply fees can be considered for a refund or a credit. Student activity fees will be refunded only when classes are cancelled. All requests are reviewed after the 15th class day.

Students who have attended a class(es) and withdrawn within ten (10) calendar days after the first day of classes will be given two-thirds tuition refund. Students are not eligible for a tuition refund after ten (10) calendar days. Students who withdraw after the tenth calendar day are only eligible for tuition credit and will have to produce supporting evidence of reason for withdrawal (employer's excuse on letterhead, doctor's excuse, etc.). Without supporting evidence, the Tuition Credit Request will be denied.

Students are not eligible for a tuition credit after the 28th day (50% point) of the quarter calendar.

A credit may not be converted to a refund, nor a refund to a credit after being reviewed by the dean of Student Services and chief financial officer. Notification will be mailed to the address provided upon completion of processing.

Students must complete the Request for Tuition Refund or Tuition Credit in the Records Office as they drop the class(es).

Guidelines

1. Students passing proficiency examinations for courses they have registered and paid for are not eligible for a Tuition Refund/Tuition Credit.
2. Refunds of five dollars or less will not be made except for classes cancelled by FTCC.
3. Students failing courses in which they request a tuition credit are subject to denial.
4. Tuition credit must be applied toward tuition costs during any one of the following four quarters. If the student fails to use the credit in the specified time period, these funds are forfeited.
5. Fees other than tuition can not be refunded.
6. Tuition credits are not transferable to other individuals.
7. Tuition credit requests must be submitted by the 28th day of the quarter in which the classes were dropped. Late requests are not allowed.
8. Tuition Refunds/Tuition Credits for Adult Continuing Education classes are handled by West Campus. Apply in the offices on West Campus.

Student Financial Services

FTCC makes every effort, within the limitations of its available financial aid resources, to assure that no qualified student will be denied the opportunity to attend the college because of a lack of adequate funds to meet expenses. FTCC believes the primary responsibility for providing educational expenses rests with you and your parents. However, if you cannot provide the entire cost and demonstrate need, you may obtain the necessary funds to meet your expenses. Financial aid may consist of a grant, scholarship, employment, loan or any combination of these which is appropriate to your circumstances and which meets your financial need. All financial aid is awarded without regard to race, religion, handicap, national origin, or gender.

FTCC is approved for the training of persons eligible for benefits administered by the Veterans Administration (VA). For more information concerning application procedures, eligibility requirements for any type of financial assistance, etc., contact the Office of Student Financial Services located in the Allman Center. The Financial Aid Handbook containing more detailed information is also available.

Student Activities

Forsyth Tech offers numerous student activities for you to participate in.

Student Government Association (SGA)

The Student Government Association promotes interest in student affairs both on and off campus. When you pay your activity fee, you automatically become an SGA member. Each instructional division chooses four representatives to serve on the Executive Council; officers are chosen from the council. The SGA president is a non-voting member of the FTCC Board of Trustees. Students also serve on several institutional committees. Drop by the SGA office in the Carolina Building Annex if you have any questions, or call ext. 326.

Forsyth Tech Ambassadors

Students are selected each year to represent the college at a variety of on-and off-campus functions. FTCC pays tuition for each ambassador. For more information, contact the Student Activities facilitator, Carolina Annex, ext. 326.

Student Clubs/Organizations

If you're interested in joining a club or organization, the following are available. See the Student Activities facilitator for more information.

- Architectural Technology Club
- Data Processing Management Association (DPMA)
- Epsilon Delta Gamma (for students in Law Enforcement)
- Phi Theta Kappa Honor Society
- Society of Respiratory Care Students (SRCS)
- Student Chapter of the Society of Manufacturing Engineers (SME)
- Student Practical Nurse Organization (SPNO)
- Student Radiologic Sciences Society

Student Recreation

Student recreation programs are offered through the Student Activities Office. Sports offered are determined by your interest and the availability of faculty coaches.

FTCC typically offers men's basketball, coed volleyball, men's and women's softball, and golf. Teams compete against other community colleges and in the Winston-Salem city leagues.

Student Activities provides a number of recreational activities that are available for all students at FTCC. A walking club, chess club, table tennis and pool tournaments are available each quarter. Weight lifting and karate clubs are offered when student interest is sufficient. The Student Activities Office is open to ideas and suggestions for recreation activities for students.

The gymnasium on the FTCC West Campus is not available for use on a regular basis. Arrangements for use of the gym must be made through the Student Activities Office, and all activities must be supervised by FTCC personnel.

Student Publications

You are invited and encouraged to help produce FTCC student publications, which include:

- **Technically Speaking** - The student newsletter managed and written by a student staff. The newsletter, printed monthly and distributed on campus, provides registration information, a calendar of events, and brief articles about students and staff.

■ FTCC TechTalk - A

compilation of writing, original art, and photography from students and faculty/staff, which is printed annually at the end of spring quarter. Anyone affiliated with FTCC is encouraged to submit material for consideration.

Student Code of Conduct and Responsibilities

Code of Conduct

The act of enrollment at Forsyth Technical Community College includes an acceptance by the student of the rules of FTCC. By enrolling, the student accepts the obligation to assist in making FTCC an effective place to conduct a learning process and to engage in the pursuit of truth, the development of self, and the improvement of society. Each enrolled student is considered to be a responsible adult, and FTCC assumes and requires that men and women who enroll in the various programs will maintain standards of conduct appropriate to the status of students at FTCC.

FTCC has an inherent responsibility to maintain order on its campus. Therefore, students may or shall be suspended or dismissed for behavior deemed incompatible with the mission, the regulation, or the responsibility of FTCC, or deemed to be in violation of any of the provisions of the Code of Conduct as set forth herein.

FTCC recognizes the right of an enrolled student to receive a full opportunity to learn and develop, unfettered by any and all obstacles not conducive to a sound, fundamental educational program. To this end, FTCC recognizes, declares, and vests certain rights in each student enrolled at FTCC.

Student Rights

A. Legal Rights

All the rights and privileges guaranteed to every citizen by the Constitution of the United States and by the State of North Carolina shall not be denied any student. Further, FTCC shall adhere to all of the statutes of the United States and State of North Carolina. FTCC has recognized the Student Government Association as the approved agency to voice students' opinions and speak on institutional policies concerning students' activities.

B. Rights of the Learner

The instructor in the classroom and in conference shall encourage free discussion, inquiry, and expression. Student performance will be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

C. Student Records

The Family Educational Rights and Privacy Act of 1974 provides safeguards regarding the confidentiality of and access to students' records, and this Act will be adhered to by FTCC.

1. Students may review their educational records by

2. Ordinarily, student records will not be available for review by third parties unless permission is first obtained by such third parties in writing from the student or unless such review is pursuant to a valid court order or subpoena. Exceptions may also be made in the case of parents claiming the student as a dependent. The dean of Student Services, in his or her discretion, shall make the final decision concerning access to records by any persons other than the student.

3. Official transcripts will be issued only upon written request by a student or upon written authorization by a student to be released to a designated entity. (See **Family Educational Rights and Privacy Act of 1974 on page 25 for additional information.**)

D. Freedom of Association

Students are free to organize and join an association organized or existing to promote the student's curriculum or career interest. Student organizations must be approved by the Student Government Association before organization on the campus in order to ensure FTCC's policies and procedures are adhered to and followed.

E. Due Process

Due process procedures are established to guarantee the right of hearing, a presentation of charges, evidence for charges, and the right of confrontation by the questioning of witnesses, and the right to counsel by the accused student, if so requested by the student. Any student aggrieved by the violation of this Code of Conduct shall have the right of appeal to the Student Appeals Committee as hereinafter provided.

General Campus Rules

The following is a general summary and classification of the major rules of student conduct, and any violation shall be considered a violation of this Code of Conduct. For purposes of FTCC rules and regulations, FTCC grounds are defined as any location owned, leased, rented, controlled, or otherwise occupied by FTCC or any division.

Rule 1. Disruption and Disorderly Conduct

A student shall not engage directly or aid and abet in disorderly conduct which is intended to provoke violent retaliation or cause a breach of peace or which disrupts, disturbs, or interferes with the normal routine activities or teaching of students, or which disrupts, disturbs, or interferes with the peace, order, or discipline on FTCC grounds.

Rule 2. Damage to or Destruction of FTCC Property

A student shall not intentionally, willfully, or

wantonly cause, or attempt to cause, substantial damage to be done to FTCC property, or shall not steal, or attempt to steal, FTCC property.

Rule 3. Damage to or Destruction of Private Property

Rule 4. Assault on or Verbal Abuse of FTCC Employee

Rule 6. Weapons and Dangerous Instrumentalities - NC General Statute 14-269.2

It is unlawful for anyone to possess any weapon, whether openly or concealed, while on private school or public school property unless it is used as part of a school activity or ceremony. In essence, the statute refers to any and all property owned, used, or operated by any Board of Education, school, college, or university for the administration of any public or private educational institution. In practice, then, this statute permits prosecution of anyone carrying any dangerous instrument in school, on school grounds, or at any school activity.

Rule 7. Narcotics, Alcoholic Beverages, and Controlled Substances

A student shall not knowingly or negligently own, possess, use, transport, or be at any time under the influence of any narcotic drug, alcoholic beverage, or any other controlled substance (as controlled substance is defined by the North Carolina General Statutes or 21 U.S.C. subsection 812) while on FTCC grounds or during the time when a student is participating in any FTCC activity, function, or event off FTCC grounds. Use of any drug authorized by

medical prescription from a registered physician shall not be considered a violation of this rule. However, students shall be held strictly accountable for their behavior while under the influence of prescribed medicines.

Rule 8. Classroom and Campus Activities

A student shall comply with all directions of teachers, student teachers, substitute teachers, teacher's aides, FTCC administrators, or authorized personnel during any time when the student is under the authority of FTCC personnel. A student on campus shall promptly identify himself to an FTCC official or campus security officer at all times upon reasonable request. A student shall appear before FTCC officials or disciplinary bodies when so directed. Any failure by any student to promptly and cheerfully obey or to abide by these regulations in this Rule 8 shall constitute a violation of this Code of Conduct.

Rule 9. Cheating, Forgery, and Related Offenses

It shall be a violation of FTCC Code of Conduct for a student to commit any one of the following acts:

1. academic cheating, including, but not limited to, unauthorized copying of academic work of another, collaboration for use of notes or books on examinations without prior permission of the instructor, and any form of plagiarism as such term is commonly defined;
2. furnishing of false information to any FTCC personnel; and
3. forgery, falsification, or fraudulent misuse of any documents, records, or identification cards.

Rule 10. State and Federal Laws

A student shall not violate any state or federal laws while on FTCC campus or while attending an FTCC activity, function, or event off FTCC grounds.

Rule 11. Student Attire Code

Although FTCC students may dress informally, cleanliness and neatness of appearance must be maintained. - F. Other** - other types of discipline as set forth in campus rules and regulations consistent with the incident involved.

The conviction of a student of a criminal offense involving personal misconduct of a kind, which, if condemned by the

college, would reflect dishonor or discredit on the college, shall be sufficient grounds for suspension or dismissal of such students.

Enforcement Procedures

Student conduct on an FTCC campus or student conduct during an FTCC activity, function, or event held off FTCC grounds that violates Federal and/or State and FTCC regulations may be dealt with in the following manner:

1. The student may be turned over to the civil authority and subjected only to the penalties imposed by that authority; or
2. The student may be subjected to sanctions imposed both by the civil authorities and FTCC; or
3. The student may be subjected to sanctions imposed by FTCC notwithstanding the fact the civil sanctions may not be imposed.

Disciplinary Procedures

A. Instructional Areas

Any instructor may request a student to leave a class, laboratory, shop, or clinical area when, in the opinion of the instructor, the student's conduct or personal demeanor disrupts normal classroom activities. If the student refuses to leave the class, the instructor may call campus public safety for assistance. The instructor, identifying the student and the cause for dismissal from class, will immediately notify in writing the division dean and the dean of Student Services of actions taken.

The burden of requesting re-entry to class, laboratory, or clinical areas will be upon the student involved. Request for reentry must be made to the instructor before the next class meeting. If the instructor decides that the student needs additional counseling before re-entry, the instructor may require that the student meet with the division dean or the counseling staff for further discussion. If the division dean or the counseling staff decides that the student should be dismissed from the class or from FTCC, the instructor will send a written report (approved by the division dean) to the executive vice president for Instructional Services and the dean of Student Services. The executive vice president will make the decision on dismissal when applicable and dismiss the student. The student will be given a copy of the report and a written notification of the decision. If a student wishes to appeal the decision, the appeal must be made by writing the Student Appeals Committee within twenty-four (24) hours after receiving the dismissal notice.

B. Noninstructional Areas

Any employee or student may file a written complaint for

disciplinary action against any student enrolled at FTCC. The Public Safety Office may temporarily remove a student from campus when the student is jeopardizing the safety and security of faculty, staff, and/or the student body; a written complaint must then be filed. The complaint must be filed with the dean of Student Services, who will promptly investigate the complaint and make a decision regarding suspension, dismissal, or other disciplinary action. Both the complainant and the student involved will be notified in writing. If the student wishes to appeal the decision of the dean of Student Services, the appeal must be made by writing the Student Appeals Committee within twenty-four (24) hours after receiving the notice of the decision.

Student Appeals Committee

The Student Appeals Committee will hear the appeal of any student after the appeal process has been exhausted at the department and division levels for instructional areas or the dean of Student Services for noninstructional areas. The Student Appeals Committee will hear the appeal of any student regarding the following:

1. discipline;
2. dismissal, except for academic standing;
3. admissions;
4. residency;
5. discriminatory practices, including ADA;
6. sexual harassment.

The appeal will be heard under the following conditions within two working days of receipt of the confirmed appeal:

1. The student must submit a written statement containing factual and valid reasons for the appeal to the dean of Student Services, who will forward the statement of appeal to the committee chairperson. The chairperson may return the appeal to the student to clarify, to add factual information, or to state reasons for the appeal; the chairperson may reject the appeal if policies and procedures have not been followed by the student.
2. The committee will confine itself to making a recommendation on the appeal question and not on the validity of existing policies of FTCC. The committee reserves the right to suggest to the President that a current policy be examined

Policy on Compliance with the American Disabilities Act —

WHEREAS, Congress has enacted the Americans with Disabilities Act; and WHEREAS, the Board of Trustees of Forsyth Technical Community College intends to comply with the requirements of the Americans with Disabilities Act; and WHEREAS, providing access to education for persons with disabilities is part of the mission of this institution;

THEREFORE, it is hereby resolved by the Board of Trustees that compliance with the Americans with Disabilities Act is a priority of this institution. The Board of Trustees hereby directs the administration to prepare, publish, and distribute policy statements and procedures to comply with the letter and spirit of the Americans with Disabilities Act and to take prompt action to implement the requirements of the Americans with Disabilities Act. Policy statements shall be issued and procedures implemented covering the following areas:

1. Appointment of at least one individual with sufficient powers, authority, and staffing to oversee compliance with the Americans with Disabilities Act (i.e. Paula Compton, Special Services/Testing/ADA coordinator);
2. Preparation of a comprehensive self-evaluation of all programs and activities of the institution, including employment;
3. Appointment of a Task Force to assist the ADA coordinator in his or her functions, in preparation of the self-evaluation, and implementation of a plan of compliance, to include the following individuals: executive vice president for Administrative Services,

executive vice president for Instructional Services, dean of Student Services, administrative assistant, Personnel/Evening Programs, director of Auxiliary & Physical Plant Services, chief financial officer, director of Public Safety, Special Services/Testing/ADA coordinator;

4. Preparation of an institutional budget for the activities of the ADA coordinator, the self-evaluation, and provision of reasonable accommodation or auxiliary aids and services;
5. Other steps deemed necessary by the administration to comply with the Americans with Disabilities Act, unless these pose an undue burden or would result in a fundamental alteration of programs of the institution;
6. Implement procedures for raising awareness of the requirements of the ADA at all levels of the institution, including senior administrators, faculty, supervisors, and staff.

Further, the administration shall solicit the involvement of the community and individuals with disabilities in conducting the self-evaluation and in setting priorities for compliance.

The administration shall report to the Board of Trustees no less frequently than every three months during 1993 on the progress being made towards compliance with the Americans with Disabilities Act.

Infectious Disease Policy —

FTCC is committed to ensuring, as far as possible, that each employee and student enjoys safe and healthful work and/or study conditions. To this end, the college offers the following information for students and employees.

This policy information presents the procedures to be used by FTCC to protect those students and employees who may be exposed to infectious diseases and bloodborne pathogens. Bloodborne pathogens include, but are not limited to, the Human Immunodeficiency Virus (HIV), which is the causative agent for Acquired Immune Deficiency Syndrome (AIDS), and Hepatitis B Virus (HBV). These procedures are based on written requirements published in the Federal Register (29 CFR 1919.1030).

Persons infected or reasonably believed to be infected with communicable diseases shall not be excluded from enrollment or employment, or restricted in their access to the institution's services or facilities unless medically-based judgments in individual cases establish that exclusion or restriction is necessary to the welfare of the individual or the welfare of other members of the institution.

Persons who know or have a reasonable basis for believing

that they have an infectious/communicable disease which may pose a threat to others have an obligation to conduct themselves in accordance with such knowledge, so as to protect themselves and others. Accordingly, employees should report this information to the administrative assistant, Personnel and Evening Programs, and students should report to the dean of Student Services. All information will be kept confidential except to those persons determined by the administrative assistant and the dean of Student Services as having a need to know. These persons will be informed after the individual is advised that such action will be taken.

It is the further declared policy of FTCC that its faculty, administration, and staff will conduct a continuing information program for all areas of FTCC personnel regarding communicable diseases and disabling illnesses.

Drug-Free Student Policy —

Drug use and abuse by students have become an immediate concern in our society. These problems are extremely complex ones with no easy solutions.

The users of drugs may impair the well being of all students, and the educational environment, and may result in damage to FTCC property.

Therefore, it is the policy of FTCC that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited while on FTCC grounds.

(See Student Code of Conduct - Rule 7: Narcotics, Alcoholic Beverages, and Controlled Substances.)

1. FTCC does not differentiate between drug users and drug pushers, or sellers. Any student who gives or in any way transfers or aids and abets in the transfer of a controlled substance to another person or sells or manufactures or aids and abets in the sale or manufacture of a controlled substance while on FTCC premises will be subject to disciplinary action up to and including suspension from school.
2. The term "controlled substance" means any drug listed in the North Carolina General Statutes or 21 U.S.C. subsection 812 and other federal regulations. Generally, these are drugs which have a high potential for abuse. Such drugs include, but are not limited to, heroin, marijuana, cocaine, PCP, and "crack." They also include "legal drugs" which are not prescribed by a licensed physician.

6. The counseling staff will have available referrals for treatment and more extensive assistance.
7. Student Services will assess the institutional environment annually by reviewing data from Public Safety, the Counseling Center, instructors, and other community resources to guide program development for students.

Crime Awareness and Campus Security Act

Staff, faculty, and students of FTCC are encouraged to report all criminal actions and other related emergencies to the Public Safety Office, which is located in the basement of Snyder Hall. A special emergency number has been established where staff, faculty, and students may dial extension 325 from any campus telephone (excluding public pay telephones) and receive immediate assistance. The special 325 number is publicized by placing stickers on each campus telephone. Pay telephones provided throughout campus locations are available for students to dial 911 for immediate assistance.

Upon receipt of a complaint, a public safety officer is assigned to the case. The complaint is documented, investigated, and processed by the investigating officer. If necessary, or where appropriate, an outside agency such as the Winston-Salem Police Department is contacted for assistance. Other staff of the college, such as the dean of Student Services, may also become involved where appropriate.

All complaints are reviewed and, where appropriate, action taken by the director of Public Safety. Further review and action may be taken through the chain of command, including the President and Board of Trustees.

A Public Safety officer is on duty at all times regular classes are in session.

Parking or Traffic Appeal Procedure

1. A request for an appeal of a parking or traffic fine must be submitted in writing to the administrative assistant, Personnel and Evening Programs, within seven (7) days of the date of violation.
2. The Traffic Appeals Committee shall consist of three members of the faculty and at least one member of the student body. It shall be the duty of the Traffic Appeals Committee to make a written report to the administrative assistant as to each appeal heard and as to the committee's findings in each case appealed. If the committee finds in the favor of the student, any fine imposed or paid shall be rescinded or remitted.
3. In the event that an appeal is made under these provisions, the Traffic Appeals Committee shall hear such case upon the original citation only. Students shall have the right to present testimony and witnesses in their behalf. The issues which may be decided by the Traffic Appeals Committee shall be limited to deciding whether there has been a violation of the regulations.
4. The Traffic Appeals Committee shall meet for the hearing of an appeal as directed by the administrative assistant. Persons who have an appeal scheduled and fail to appear, after having been duly notified of the time and place of the appeal, will have their appeal denied. There will be no continuance of the appeal unless approved by the administrative assistant.
5. All decisions of the Traffic Appeals Committee shall be final.

Use of Facilities

The buildings and their contents exist solely for the education of FTCC's adult population. The use of the facilities for any other purpose is strictly prohibited. Any use of these facilities for personal gain will result in immediate disciplinary action.

Smoking is prohibited in all classrooms, laboratories, shops, and auditoriums.

Animals are prohibited inside the buildings. Any animal on the campus grounds must be on a leash in compliance with the City of Winston-Salem Leash Law Ordinance Section 3-18.

Children are not allowed in classrooms or shop areas during class sessions, nor may they be left unattended in the library, canteen areas, or on campus grounds.
